- Complete solution for Hybrid radio.

The screenshot displays a radio station website interface with a blue header. The top navigation includes 'Direkte', 'Om oss', 'Liker', 'Venner', and 'Spille'. The main content area features a music player with two tracks: 'Radio Haugaland Straks Mer Musikk' (RH logo) and 'Never Too Far Gone' by Jordan Feliz. Below the player is a news section with three articles: 'SMUGLERSAKEN VOKSER I OMFANG' (dated 15-11-2016 07:20), 'STERKT FORSINKET TUNNELSIKRING' (dated 15-11-2016 06:48), and '...KET VIL BESTEMME' (dated 15-11-2016 06:53). A photo of two men shaking hands is visible on the left. The bottom right shows a social media-style feed with the RH logo and a video player for 'You Belong' by Bryan Adams.

## WHY THIS IS A MUST HAVE

- TRH is an All-in-One solution for every radio broadcaster. We've got FM, digital radio and web streaming completely covered.
- Easy customization; adapt the looks to match your own brand identity for a visually coherent look across all platforms and services.
- Go beyond our imagination; with our extensive API you'll be able to integrate our data every possible application.
